The image displays five separate wireframe prototypes, likely for a mobile application, arranged side-by-side. Each prototype is drawn in a simple, sketchy style.

- Top Left (Payment):** A vertical list of payment method icons: Square, Square with a minus sign, Square with a plus sign, Square with a double minus sign, Square with a double plus sign, and a long horizontal bar.
- Top Middle (Home):** A grid-based interface. At the top are sections for "Shows" (with a sweat icon), "Previous", "Korean", "English", "Spanish", and "French". Below is a 4x4 grid of square icons. To the right of the grid is a "Trending" section with a 4x3 grid of square icons.
- Top Right (Series Description):** A card for a series named "Banana". It includes fields for "Genre: combat/Fighting", "This was made by Michael Jackson and banana man", "Reviews: watch trailer", and a rating scale from 8 to 20. There's also a large drawing of a banana and a "watch show" button.
- Middle Left (Profile):** A profile screen with a "language" dropdown at the top. It shows sections for "profile" (with "personal movies/series" and "public movies/series" tabs), "followers" (with a "Log out" button), "settings" (with a gear icon), and "family members" (with a "Logout" button). Below these are sections for "friends" (with a "Logout" button) and "quick connect" (with a "Logout" button).
- Middle Right (Settings):** A "settings" screen with a "Logout" button at the top. It lists various options: "languages" (Spanish, French, English, portuguese), "Saved" (with a "Logout" button), "google voice" (with a "Logout" button), and "banning delete" (with a "Logout" button). To the left is a list of accessibility settings: "Depression", "Down Syndrome", "spstep", "Drugs", "personal playlist", and "kurnulu".

The diagram consists of several hand-drawn elements:

- A large rectangle at the top left.
- To its right, the text "you watched and thought" is written above two wavy lines.
- A horizontal line with a central oval containing the text "you rated" above "4-stars".
- A horizontal line with a central oval containing the text "What your friends think you should watch".
- Below these lines are three empty rectangular boxes.
- At the bottom center, there is a row of six small circles: three solid black ones followed by three hollow ones.

Charles Page

A simple line drawing within a large rectangular border. Inside, there are two stylized human figures. Both have large, rounded oval heads. A single vertical line extends downwards from each head, representing a body. From the end of each vertical line, two lines extend outwards at approximately a 45-degree angle, forming a 'Y' or 'T' shape that serves as a tail. The figure on the left is oriented towards the right, while the figure on the right is oriented towards the left. The entire drawing is executed in a single, continuous black ink stroke.
